**MESSAGE FROM
HON'BLE VICE CHANCELLOR
SHAHEED ZULFIQAR ALI BHUTTO UNIVERSITY OF LAW,**

Commencement of the 4th Academic Session of Shaheed Zulfiqar Ali Bhutto University of Law (SZABUL) is a matter of great pleasure and satisfaction; it reflects continuity of academic process as well as trust of the parents and students in SZABUL. I, on behalf of my Faculty and administrative officers and staff, welcome you all to this prestigious centre of professional learning and academic excellence.

It is considered opinion of lawyers, jurists and Honorable Judges that the imparting of law education in our country has been in a dismal state. Reasons can be many, but the blame is typically heaped upon bad infrastructure, teacher absenteeism, poor student attendance, inputs-based monitoring and, above all, inadequate teachers training programmes. All these factors, taken together, explain the learning crises apparent in the class rooms of law education institutions. More than a decade ago, the Supreme Court of Pakistan, in its landmark judgment in the case titled "Pakistan Bar Council versus Federation of Pakistan and others" reported as SCMR 2019 page 389, expressed its unqualified dissatisfaction over the plight of pedagogy in law colleges. Consequently, the Government of Sindh took a lead to arrest the decline hinted at by the apex court and established the first ever Law University of the country. The credit goes to Sindh Government, former Vice Chancellor Qazi Khalid Ali, Registrar Syed Sharaf Ali Shah, Officers and staff of the university who left no stone unturned in raising its standard to such a degree that today foreign universities have begun choosing SZABUL as their partner in promotion of higher legal education with globally accepted standards. SZABUL is one of the developing universities of the country.

The students of this University feel proud of having chosen one of the most respectable and dignified career. The people who played significant role during Independence Movement and later in development of this nation were all Lawyers. Being law students, you must realise your responsibility that of the State is governed by "Rule of Law" which requires commitment, dedication and sacrifice from you. You have to develop all those qualities capabilities abilities in you to sustain and promote the Rule of Law. The Father of Nation had a dream of a State "in which people could live and breathe as free men". In present era, you have the capacity and required talents to translate his dream into a reality. I believe that as a student of law, each one of you will fully contribute into its promotion and upgradation. May Allah guide & lead us to the right path and help us in our righteous plans. Ameen.

Justice (R) Dr. Rana Muhammad Shamim,

In 2016, I embarked on the journey of International collaboration with UK Universities and by the Grace of Allah only, the Agreement with University of Northampton has reached and we are in a position to start the enrollment for articulation degree for LLB and LLM programme. In a recent seminar held on August 20, 2019 under the auspices of Sindh Inter Universities Consortium wherein the Chief Guest was hon'ble Chief Minister of Sindh Syed Murad Ali Shah and on this occasion he has very kindly recognized that the formation of SIUC and agreements with University of Northampton were my initiative and to which I am personally thankful to him. My regards are also due to Prof Dr. Nick Petford for his valuable comments for my services towards the initiation and advancement of international collaboration with UoN.
